Subject: Recommendation and Request for Appointment of Dr. Kamal Kishor Verma as Expert Consultant, Academic Head, and Professor (Orthopedics & FMGE Preparation) for a 3-Year Tenure commencing 01 September 2024

Dear Prof. Rector,

WCIEC Organization, a leading international medical education consultant with over 10,000 successful student admissions to top medical universities in Kyrgyzstan (including long-standing partnerships with institutions of excellence such as Jalal-Abad International University), is pleased to submit this formal recommendation and request.

We hereby strongly recommend and request the appointment of Dr. Kamal Kishor Verma, an eminent Indian orthopedic surgeon and distinguished academician, in the following capacities at Jalal-Abad International University (JAIU) for a fixed tenure of three (3) years with effect from 01 September 2024 to 31 August 2027:

- Professor of Orthopedics
- Expert Consultant and Academic Head for International Students
- Lead Faculty for FMGE/NExT Preparation and Curriculum Enhancement
- Trainer for Faculty Development and Teaching Methodology

Profile of Dr. Kamal Kishor Verma

- Nationality: Indian

- Passport No.: S6404373
- Qualifications: Renowned Orthopedic Surgeon (MS Orthopedics) with additional expertise in medical education
- Professional Experience: Over 15 years of dedicated teaching focused on Foreign Medical Graduates (FMGs), with outstanding success in FMGE/NExT coaching
- Institute: Founder & Director, Dr. Kamal KV Group (<https://drkamalkvgroup.co.in/>) – a premier FMGE preparation platform offering high-yield books, online/offline coaching, mobile applications, and revision materials that have helped thousands of international medical graduates clear licensing examinations on their first attempt
- Key Strengths: Exceptional teaching methodology, clinical expertise in orthopedics and trauma surgery, curriculum design aligned with NMC/WHO standards, and proven ability to train both students and faculty for outcome-based medical education

Dr. Verma's contributions have consistently produced top-rank results among FMGs studying in Kyrgyzstan and other countries, making him one of the most sought-after educators in the field.

Proposed Scope of Work at JAIU

1. Academic Leadership for International Students – Oversee curriculum development, quality assurance, and alignment with NMC (India), PMC (Pakistan), and global standards.
2. FMGE/NExT Intensive Preparation Program – Conduct regular on-campus and online classes, mock examinations, and one-to-one mentoring for final-year and graduating students.
3. Faculty Development & Training – Organize workshops and training sessions for JAIU teaching staff on modern pedagogical techniques, clinical integration, and student-centered learning.
4. Clinical & Research Guidance – Provide expert input in orthopedics, trauma care, and interdisciplinary research, including collaboration with the EJSMR-JAIU Research Club.
5. Quality Enhancement Initiatives – Contribute to accreditation processes, student performance improvement, and overall elevation of JAIU's international reputation.

We are confident that Dr. Kamal Kishor Verma's appointment will significantly enhance the academic outcomes of JAIU's large international student community, improve FMGE/NExT pass percentages, and strengthen faculty capabilities — thereby reinforcing JAIU's position as a preferred destination for medical education in Central Asia.

WCIEC Organization fully endorses this appointment and stands ready to facilitate all logistical, contractual, and visa-related formalities. We kindly request the Rectorate's approval at the earliest convenience, and are available for any further discussion or documentation.

Thank you for your continued partnership and commitment to excellence in medical education.

With highest regards,

WCIEC Organization
