Subject: Recommendation and Request for Appointment of Nepalese Medical Graduates as Volunteer Academic and Clinical Subject Support Specialists for Local Faculty and International Students (Academic Session 2025–2028) – Full Sponsorship by WCIEC

Dear Prof. Rector,

WCIEC Organization Pvt. Ltd., in continuation of our strong partnership with Jalal-Abad International University (JAIU), is pleased to recommend and fully sponsor the appointment of four highly qualified Nepalese medical graduates as Volunteer Academic and Clinical Subject Support Specialists to bridge the gap between local Russian-speaking faculty and international (mainly Indian, Pakistani, Bangladeshi, and Nepalese) medical students for a fixed tenure of three (3) academic years from 02 September 2025 to 31 August 2028.

These professionals are currently pursuing or have completed postgraduate studies at the South Branch of the Kyrgyz State Medical Institute (KSMI) and possess excellent command of both Russian and English, along with solid medical knowledge. Their primary role will be to enhance academic and clinical collaboration by providing targeted support on syllabus alignment, curriculum development, and interactive presentations, while fostering motivation among students to elevate the quality of lectures and practical classes.

Recommended Candidates

1. Dr. Aditya Kumar (Nepal) – Passport No. 11933421
2. Dr. Manish Chaudhary (Nepal) – Passport No. PA2484823
3. Dr. Santosh Bhusal (Nepal) – Passport No. PA1527592
4. Dr. Dipak Kumar Mahato (Nepal) – Passport No. PA2576010

Key Responsibilities

- Assisting local faculty in aligning syllabus and curriculum with international standards to ensure relevance for diverse student cohorts
- Collaborating on the development and enhancement of presentation materials, including interactive slides and visual aids for lectures
- Conducting motivational sessions and peer mentoring to boost student engagement, confidence, and retention in challenging subjects
- Supporting the delivery of high-quality lectures through co-facilitation, real-time feedback, and adaptive teaching strategies
- Guiding practical classes and clinical rotations by demonstrating best practices, troubleshooting common issues, and promoting hands-on skill-building
- Organizing faculty-student workshops on effective communication, curriculum integration, and motivational techniques to improve overall educational outcomes
- Providing one-to-one academic guidance for international students on course navigation, exam preparation, and career motivation

Remuneration and All Expenses (Fully Borne by WCIEC – No Financial Burden on JAIU). This initiative will directly contribute to higher student satisfaction, better academic results (especially in clinical subjects), improved FMGE/NExT performance, and enhanced international reputation of JAIU.

Thank you for your continued cooperation and trust.

With highest regards,

WCIEC Organization
