Announcement of Scholarship Winners

Doing Good Charity Foundation – JAIU Annual Scholarship Program

We are delighted to announce the recipients of the 2024–2025 Academic Year Scholarships, awarded in collaboration with the Doing Good Charity Foundation.

These scholarships were granted following a rigorous, transparent, and merit-based evaluation process conducted by the official JAIU Scholarship Committee in full compliance with the program's established rules and regulations. Selection criteria included outstanding academic performance, financial need, leadership qualities, extracurricular involvement, and commitment to community service.

The scholarships provide significant financial relief (covering a substantial portion of tuition fees) and recognise the recipients as “Doing Good Charity Foundation Scholars” – a prestigious title that enhances their professional profiles.
