

MEDICINE II

LAQ :

ENVIRONMENTAL & NUTRITIONAL FACTORS

- Thiamine; Wernicke's Encephalopathy and Korsakoff Psychosis : Management

KIDNEY & URINARY TRACT

- Acute Post-Streptococcal GN : Definition, Aetiopathogenesis, Investigations and Management
- Chronic Renal Failure (CRF) : Definition, Causes, C/f and Management (4 repeat)
- Chronic Renal Failure (CRF) : Aetiology, C/f and RRT (2 repeat)
- Acute Renal Failure : Causes, Types, C/f, Complications and Management (5 repeat)
- Nephrotic Syndrome : Aetiology, C/f and Management (4 repeat)
- Haematuria : Causes and Approach
- Chronic Pyelonephritis : Aetiology, Diagnosis, Management and Advice

RESPIRATORY DISEASES

- Bronchial Asthma : Definition, Pathology and Management (4 repeat)
- Lung Abscess : Aetiopathogenesis, C/f, Investigations and Management
- Bronchiectasis : Aetiopathogenesis, C/f, Diagnosis and Management (4 repeat)
- Bacterial Pneumonia : Pathogenesis, Investigations and Management
- Lobar Pneumonia : Causative Agent, C/f and Management
- Community Acquired Pneumonia : Investigations and Management
- Lung Abscess : Aetiopathogenesis, C/f and Management
- Pleural Effusion : Aetiology, C/f, D/d and Management
- Chronic Cor Pulmonale : Aetiopathogenesis, C/f and Management
- Haemoptysis : Aetiology, C/f and Management

DIABETES MELLITUS

- DM : Types, Acute and Chronic Complications, T/t of DK
- Diabetic Ketoacidosis : Aetiopathogenesis, C/f and Management

RHEUMATOLOGY & BONE DISEASES

- Rheumatoid Arthritis : Pathogenesis, C/f, Investigations, Extra-articular Manifestations and Management (5 repeat)

NEUROLOGICAL DISEASES

- Acute Transverse Myelitis (Viral) : Aetiology, C/f, Investigations and Management (3 repeat)
- Gullian Barre Syndrome : Causes of Peripheral Neuropathy, C/f and Management (3 repeat)
- Acute Infective Polyneuritis : Definition, Investigations and Management
- Amyotrophic Lateral Sclerosis : Aetiopathogenesis, C/f, D/d and Management
- Cerebellar Disorders : Neurological Signs
- Pyogenic Meningitis : Aetiopathogenesis, C/f, Diagnosis and Management (2 repeat)

- Compressive Myelopathy : Causes, Approach, Localization of Lesion
- Peripheral Neuropathy : Classification, Causes, C/f and Investigations with Difference between UMN and LMN paralysis (2 repeat)
- Parkinsonism : Definition, Aetiology, C/f and Management
- Brain Abscess : Aetiology and C/f

STROKE

- Subarachnoid Haemorrhage : Causes, C/f and Management with diagram of Circle of Willis (2 repeat)
- Stroke : Definition, Risk Factors, C/f and Management (5 repeat)
- Acute Cerebral Embolism : Causes, C/f and Management *

SAQ :

ENVIRONMENTAL & NUTRITIONAL FACTORS

Pellagra : Deficiency Vitamin B2 (9 repeat)

Scurvy

Lathyrism : Definition, Stages and Preventive Measures

Hypervitaminosis (2 repeat)

Parenteral Nutrition

Vitamin B12 Deficiency

Obesity : Investigations

Thiamine Deficiency : C/f

Zinc Deficiency

UNICEF Inexpensive Measures to prevent PEM

Wernicke Korsakoff Syndrome

Obesity

Obesity : Complications (3 repeat)

Central Obesity

Vitamin E

Fluorosis

Anthropometry

PSYCHIATRY

Schizophrenia

Bulimia Nervosa 476

Dissociative Disorders : Definition, C/f and Management

Depressive Disorders : Symptoms and Drug Management

Pickwickain Syndrome 1499

Electroconvulsive Therapy (5 repeat)

Phobia (2 repeat)

Hysteria (2 repeat)
Hysterical Conversion Reaction
Anorexia Nervosa 476
Bipolar Disorders (Manic Depression) (2 repeat)
Alcohol Dependence
Alcohol Withdrawal Delirium
Somatic Symptoms of Anxiety
Insomnia 1087 cmdt
Anxiety Neurosis
Major Depression
OCD
Chronic Depression
Panic Disorders

INFECTIOUS DISEASES

Leprosy : Drug Therapy
Leprosy : Complications
Lepromatous Leprosy (3 repeat)
Lepra Reaction (3 repeat)
Legionnaires
Ring Worm
Amoebiasis
Opportunistic Infections in HIV

POISONING

Lithium
OP Poisoning : C/f (2 repeat)
OP Poisoning : Treatment

SEXUALLY TRANSMITTED DISEASES

Non gonococcal Urethritis : Causes and Drug Management (2 repeat)
Gonococcal Urethritis
Penile Ulcer
VDRL
Genital Wart
Sore on Penis : D/d
Gonorrhoea (2 repeat)
Chancre

ELECTROLYTE & ACID-BASE IMBALANCE

Metabolic Acidosis
Respiratory Acidosis
Hyperkalemia : Management

Hypokalemia
Hypocalcemia

KIDNEY & URINARY TRACT

Acute Renal Failure : Causes and Complications (2 repeat)
GFR : Definition and Formula to Calculate
Minimal Change GN
Haematuria : Causes (2 repeat)
Diet in Nephrotic Syndrome
Acute Pyelonephritis
Role of Kidney in Water Balance
Haemodialysis : Indications and C/i (3 repeat)
Use of Steroids in Renal Diseases
Neurogenic Bladder
Renal Osteodystrophy (2 repeat)
IgA Nephropathy – Burgers Disease
Chronic Renal Failure : Causes
Chronic Renal Failure : Management
Micro Albuminuria (2 repeat)
Proteinuria : Causes and Diagnosis (2 repeat)
Nephrotic Syndrome (2 repeat)
RFT
Role of Kidney in HTN

RESPIRATORY DISEASES

Clubbing : Definition, Causes and Grading (3 repeat)
Tuberculosis : Primary Pulmonary TB
Tuberculosis : Primary Complex (2 repeat)
Tuberculosis : Complications and Sequelae
Tuberculosis : Pitfalls of DOTS (3 repeat)
Tuberculosis : DOTS+
Tuberculosis : Newer Anti TB Drugs
Tuberculosis : Chemoprophylaxis
MDR Tuberculosis : Treatment (6 repeat)
RNTCP : Categories of TB and Drug Regimens
Pneumothorax
Tension Pneumothorax : Treatment
Topical Pulmonary Eosinophilia
Status Asthmaticus : Treatment (4 repeat)
Haemoptysis : Causes and Treatment
Bronchial Asthma : Aerosols (2 repeat)
Bronchogenic Carcinoma : C/f
Cystic Fibrosis : Complications and Management

Farmers Lung
Respiratory Failures : Classification and Causes
Lung Abscess : Management
Pneumocystis carinii Pneumonia
Pleural Effusion : C/f
Chronic Bronchitis : Management
ILD
Bronchiectasis
Pneumonia : C/f
Pneumoconiosis
Byassinosis
Respiratory Dyspnoea
Breath Sounds : Types and examples

ENDOCRINE DISEASES

Tetany
Systemic Corticosteroid Therapy : ADR
Addison's Disease : C/f
Thyrotoxicosis : Eye signs
Myxedematous Coma
Pituitary Gland Hormones

DIABETES MELLITUS

Syndrome X (Metabolic Syndrome)
Diet in DM
Diabetic Nephropathy (2 repeat)

RHEUMATOLOGY & BONE DISEASES

SLE : C/f (5 repeat)
SLE : Extra-articular Manifestations
Takayasu's Arteritis
Temporal Arteritis
Seronegative Spondyloarthritis
Ankylosing Spondylitis (2 repeat)
Rheumatoid Factor (2 repeat)
Rheumatoid Arthritis : Extra-articular Manifestations
Rheumatoid Arthritis : DMARDs (2 repeat)
Rheumatoid Arthritis : Management (3 repeat)
Duchenne Muscular Dystrophy
Osteomalacia (2 repeat)
Charcot Joints

NEUROLOGICAL DISEASES

Trigeminal Neuralgia
Difference between UMN and LMN Lesion
Status Epilepticus : Definition and Management (4 repeat)
Herpes Zoster (3 repeat)
Chorea
Maintenance of Tone
Cluster Headache
Myasthenia Gravis : C/f
Myasthenia Gravis : Management
Parkinsonism : Drug Therapy
Neurosyphilis
Disorders of Gait
GB Syndrome
Cerebellar Syndrome : Clinical Signs (2 repeat)
TIA
Trigeminal Neuralgia
Seizures : Classification

STROKE

Lacunar Infarct

SKIN DISEASES

Nails in Systemic and Skin Diseases
Psoriasis : C/f (4 repeat)
Psoriasis : Management
Steven Johnson Syndrome (4 repeat)
Molluscum Contagiosum
Eczema : Classification and Diagnostic Criteria of Atopic Eczema
Bullon's Skin Lesions (? Bullous Impetigo ?)
Tuberous Sclerosis
Ptyeriosis rosea
Scabies (2 repeat)
Scleroderma
Acne Vulgaris

DRUGS

Gabapentine (2 repeat)
SSRI
Oseltamivir (Tamiflu)
Loop Diuretics
Clindamycin
Pyridostigmine

OTHERS

Renauds Phenomenon

PCR

Oxygen Therapy

Downs Syndrome

Bio terrorism

Nerodermatitis
