

SURGERY I

LAQ :

WOUND HEALING

- 5 Wound Healing : Types and Affecting Factors with Classification of Wounds

INFECTIOUS DISEASES

- 52 Gas Gangrene : Aetiology, Pathology and Management

SHOCK

- 111 Shock : Definition and Classification. Shock in Burns : Factors leading to it and Management
111 Hypovolumic Shock : C/f and Management (2 repeat)
114 Septic Shock : C/f and Management

HAEMORRHAGE & BLOOD TRANSFUSION

- 121 Haemorrhagic Shock : C/f and Management
124 Blood Transfusion : Indications, Complications and Blood Substitutes (2 repeat)

BURNS

- 130 Burns : Types, Pathophysiology and Management (3 repeat) - 787

TRAUMA

- 150 Management of Shock d/t Blunt Trauma resulting in Liver Injury 133
150 Blunt Trauma Abdomen : Mechanism, Pathophysiology and Management 954

ARTERIAL DISEASES

- 184 Thromboangitis Obliterance : C/f and Management (2 repeat)
211 Peripheral Arterial Disease : Causes, Difference between Dry and Wet Gangrene and Management

VENOUS DISEASES

- 235 Varicose Veins of Lower Limb : Surgical Anatomy, C/f and Management (2 repeat)
235 Long Saphenous Vein Varicosities : Aetiopathogenesis, C/f and Management
249 Varicose Ulcer - Leg : Causes and Treatment

LYMPHATICS

- 259 Filariasis Limb : Surgical Management

ORAL CAVITY

- 417 Carcinoma of Tongue - Anterior 2/3rd : Pre-cancerous Lesions, C/f and Management

SALIVARY GLANDS

- 441 Pleomorphic Adenoma of Parotid Gland : Surgical Management

THYROID

- 491 Multinodular Goitre (Non toxic) : Pathogenesis, C/f, Investigations, Complications (2 repeat)
499 Primary Thyrotoxicosis : Causes, C/f, Investigations and Management (3 repeat)

- 499 Grave's Disease : Aetiology, C/f, Investigations and Management
- 509 Differentiated Thyroid Carcinoma : C/f and Management
- 510 Papillary Carcinoma of Thyroid : C/f and Management with Classification of Thyroid Tumours
- 510 Difference between Papillary and Follicular Carcinoma of Thyroid

BREAST

- 548 Benign Breast Disease : Aetiology, Pathogenesis, C/f and Management
- 563 Carcinoma of Breast - Stage II : Management with Surgical Anatomy of Breast (2 repeat)
- 563 Lymphatic Drainage of Breast and Management of Locally Advanced Breast Carcinoma
- 563 Operable Breast Cancer : Definition and Management of T2 N1 M0 Breast Cancer
- 563 Carcinoma of Breast : Histopathological Nomenclature, Characteristics of it and Management of Locally Invasive Cancer
- 586 Staging of Breast Carcinoma and Management of Early Breast Cancer (2 repeat)

NEUROSURGERY

- 1172 Emergency Assessment of Poly trauma and Management of Severe Head Injury
- 1172 Head Injury : C/f, Investigations and Management
- 1178 Subdural Haematoma : Signs, Symptoms and Management

OTHERS

- * Surgical Wound Infection : Risk Factors, Methods and Procedures to prevent Wound Sepsis
- * Nonhealing Ulcer : Aetiology, C/f and Management

SAQ :

WOUND HEALING

- 10 Crush Syndrome
- 11 Difference between Keloid and Hypertrophic Scar (2 repeat)
- 13 Factors Affecting Wound Healing (3 repeat)

INFECTIOUS DISEASES

- 47 Carbuncle
- 52 Gas Gangrene : C/f (2 repeat)
- 65 Universal Precautions in HIV Infection

SWELLING

- 71 Lipoma (2 repeat)
- 78 Dermoid Cyst

ELECTROLYTE & NUTRITION

- 97 Hypokalaemia
- 99 Metabolic Alkalosis
- 102 Enteral Nutrition

SHOCK

111 Shock : Definition and Types

114 Septic Shock : Types

HAEMORRHAGE & BLOOD TRANSFUSION

121 Haemorrhage : Types (2 repeat)

122 Haemorrhagic Shock : Treatment

124 Blood Transfusion : Complications (4 repeat)

ARTERIAL DISEASES

175 Intermittent Claudication : Definition and Signs of Ischaemic Lower Limb (2 repeat)

177 Difference between Dry and Wet Gangrene

177 Dry Gangrene

VASCULAR LESIONS & HAMARTOMA

229 Hamartoma

VENOUS DISEASES

231 Deep Vein Thrombosis : Management

231 Deep Vein Thrombosis : C/f (2 repeat)

232 Phlegmasia Cerulia Dolens

235 Varicose Veins : Clinical Tests and their Interpretation

238 Brodie-Trendelenberg Test for Varicose Veins

NEOPLASM

284 Various Routes of Spread of a Malignant Tumour

284 Carinoma in situ

290 Tumour Markers - 918

SKIN TUMOURS

302 Marjolins Ulcer (2 repeat) 802

308 Malignant Melanoma 805

AMPUTATIONS

334 Below Knee Amputation

RECONSTRUCTION

340 Difference between Partial Thickness and Full Thickness Skin Graft 800

TRANSPLANTATION

353 Breainstem Death : Clinical Testing

FACIOMAXILLARY DISEASES

368 Cleft Lip

ORAL CAVITY

389 Ranula

392 Leukoplakia of Oral Mucosa

394 Oral Cancer : High Risk Factors and Premalignant Conditions (2 repeat)

418 Carcinoma of Tongue : C/f and Premalignant Conditions

SALIVARY GLANDS

- 441 Pleomorphic Adenoma (3 repeat)
- 441 Benign Parotid Tumour

NECK

- 457 Cervical Rib (2 repeat)
- 459 Branchial Cyst and Branchial Fistula
- 464 Cystic Hygroma of the Neck : Pathogenesis and Management
- 470 Tuberculous Lymphadenitis
- 472 Collar Stud Abscess (2 repeat)
- 474 Cold Abscess (2 repeat)

THYROID

- 484 Thyroid Gland : Surgical Anatomy
- 487 Thyroglossal Cyst (4 repeat) - 85
- 490 Goitre : Classification
- 490 Multinodular Goitre
- 494 Solitary Thyroid Nodule : Investigations - 69
- 501 Secondary Thyrotoxicosis : Management
- 502 Primary Thyrotoxicosis : Eye Signs
- 512 Modified Radical Neck Dissection
- 519 DeQuervain's Thyroiditis - 82
- 525 Thyroid Storm

PARATHYROID & ADRENALS

- 532 Hyperparathyroidism : C/f
- 536 Multiple Endocrine Neoplasia (MEN) II

BREAST

- 548 Giant Fibroadenoma
- 552 Cystosarcoma Phyllodes (2 repeat)
- 560 Gynaecomastia
- 563 Carcinoma of Breast : Aetiological Factors and Patey's Mastectomy
- 569 Carcinoma of Breast : Routes of Spread
- 574 Carcinoma of Breast : Screening Methods
- 584 Carcinoma of Breast : Hormonal Therpay
- 590 Locally Advanced Carcinoma of Breast : Management (2 repeat)
- 591 Inflammatory Carcinoma of Breast

STOMACH

- 876 CHPS

LARGE INTESTINE

- 973 Targeted Chemotherapy for Colonic Malignancy

NEUROSURGERY

- 1175 Glasgow Coma Scale and its Significance (4 repeat)
- 1177 Extradural Haematoma : C/f, Investigations and Diagnosis (4 repeat)

1177 Lucid Interval

THORAX

1196 Flail Chest (2 repeat)

ADJUVANT THERAPY

1226 Radiotherapy : Complications

OPERATIVE PROCEDURES

1263 Tracheostomy : Indications and Complications (2 repeat)

1263 Thyroidectomy : Postoperative Complications

OTHERS

- * Antibiotic Prophylaxis
- * Fracture of Base of Skull : Diagnostic Signs
- * Assessment of Nutritional Status
- * Lymphadenoma : Management
- * Carcinoma of Breast : Triple Test 15
- * Blood Stained Discharge from Nipple : Causes and Investigations 14
- * Cancer Screening Programme : Objectives and Principles
